As our population ages, one of the greatest concerns is growing economic insecurity experienced by older adults. Missouri law provides counties with a tool for addressing the health, social services, transportation, meals, and other essential services to benefit older Missourians Called Senior Services Funds, these levies are enacted on a county-by-county basis with voter approval.

WHO SHOULD ATTEND

Community leaders, stakeholders, and citizens across Missouri interested in improving services for its older adults through senior levy funds.

WHAT YOU WILL LEARN

During this presentation, attendees will learn more about senior levy funds and steps they need to take to be successful placing this measure on the ballot. Attendees will learn how to use MoALSO's Senior Levy Advocacy Toolkit, and will learn insights from counties that have adopted the levy.

HOSTED BY

Missouri Association of Levy Boards & Senior Organizations
